

School Annual Education Report

February 15, 2024

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2022-2023 educational progress for the Momentum Academy. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Mrs. Katie Alexander for assistance.

The AER is available for you to review electronically by visiting the following web site https://www.mischooldata.org/annual-education-report-1?Common_Locations=1-S,12990,1855,106

or you may review a copy in the main office at your child's school. This Annual Education Report (AER) will be shared with our parent-partners, community members and School Board at a public meeting on February 23rd and March 12th at our Parent Night. Additionally, this report will be available as a paper copy in the Administrative Office at Momentum Academy.

It has been exciting to see the growth and development of students at Momentum Academy. As parents, you trust your most prized possessions to us, to teach them to read, write, and become academic scholars. As a team, we are excited to see the potential in each student and we will work to ensure that each student gains academically and socially.

Sincerely,

Mrs. Katie Alexander, Principal
